

ELITE GROUP

# WHATS HAPPENING

Elite Group Quarter 4 : 2020 Newsletter

*"All the staff are amazing and go the extra mile."* Pauline Tubb - Leasowe Primary School.

**New!**

## INTERACTIVE SCREENS

Are dim projectors affecting your teachers morale? Are your interactive whiteboards no longer providing effective teaching? Elite Group are now proud to be offering enhanced learning experience for students, upgrading schools Interactive Whiteboards to SMART Interactive touchscreen technology. Full installation and ongoing staff training is all provided.

## THERMAL HEALTH SCANNER

Temperature checker technology quickly assesses an individuals body temperature within seconds, which can then deny an individual access to the building, helping keep businesses and schools safe. The fever scanner acts as an additional safety net to avoid infection transmission.

## AT A GLANCE:

- Interactive screens for Education
- Temperature checker technology
- New address
- Customer satisfaction
